

alcotec™ 200 TT Turbo GA

Identification of substance/mixture and producer

<i>Product Code</i>	37020-GA
<i>Product Name</i>	Alcotec 200 TT Turbo Yeast with GA enzyme
<i>Synonyms</i>	Turbo Yeast TT with GA, AT200 with GA
<i>CAS no.</i>	N/A
<i>Taric</i>	2106909855
<i>Use</i>	Fermentation of alcohol where dextrans are present
<i>Producer</i>	Hambleton Bard Ltd Cobnar Wood Close Chesterfield S41 9RQ United Kingdom Telephone: +44 1246 888819 Telefax: +44 1246 351261 Email: export@hambletonbard.com
<i>Emergency telephone no</i>	+44 1246 887890

Composition/information on ingredients

<i>Product composition</i>	Mixture of active dry yeast, yeast nutrition, vitamins glucoamylase enzyme and trace minerals.
<i>Food grade</i>	Yes
<i>GMO statement</i>	This product contains no genetically modified components

Hazards identification

<i>Classification</i>	Non hazardous
<i>Risk phrases</i>	N/A
<i>Safety phrases</i>	N/A
<i>Labelling</i>	Labelling as per Regulation EC 1272/2008 not applicable

Toxicological information

Effects of exposure

<i>Eye contact</i>	May irritate eyes
<i>Skin contact</i>	May irritate skin
<i>If inhaled</i>	May cause mild irritation
<i>If swallowed</i>	May cause mild irritation
<i>Carcinogenity</i>	Not considered to be a carcinogen
<i>Mutagenity</i>	Not considered to be a mutagen
<i>Reproductive effects</i>	None identified

Ecological information

This material will promote growth of algae and may degrade water quality.

Disposal considerations

Discharge into the environment must be avoided. Do not contaminate ponds, waterways or ditches with chemical or used container. Do not dispose of waste into sewer.

Transport information

This material has no transport regulations.

Regulatory information

This material is not regulated.
